Dear Law School Dean:

We respectfully encourage you to support the attendance of your law school's SBA President and ABA Representative at the **ABA Annual Meeting in San Francisco, August 7<sup>th</sup> – August 10<sup>th</sup>, 2019**.

During the Annual Meeting, your SBA President and ABA Representative will attend leadership training and workshops specifically designed for law student leaders. Here they learn best practices and exchange ideas with peers from law schools across the country. In short, their attendance at this meeting ensures they will be more effective and informed leaders as they fulfill their duties to your school in the coming year.

Your school's ABA Representative and SBA President also serve as your school's two voting delegates in the ABA Law Student Division Assembly – the ABA's policy-making body for law students. The Assembly convenes at the ABA Annual Meeting to debate and vote on policy issues affecting legal education, law students, and the legal profession.

You may review the relevant programs as they become available at [abaforlawstudents.com/annual](http://abaforlawstudents.com/annual).

Additionally, there are more than 2,500 meetings, educational programs, and special events where law students can learn about professional development alongside thousands of practicing attorneys.

Ensure your school is represented, and help your student leaders reach their potential – support the participation of your SBA President and ABA Representative at the ABA Annual Meeting.

If you have any questions, please contact Sara Stretch at [sara.stretch@americanbar.org](mailto:sara.stretch@americanbar.org) or 312-988-5621. We look forward to seeing your law school represented in San Francisco.

Sincerely,

Negeen Sadeghi-Movahed  
Chair, Law Student Division
